

## **P. E. at Home Introduction letter**

Hi Eagle families,

We hope your family is safe and healthy in the midst of the ongoing coronavirus developments. It's important for us to know our Inverness Primary School students are taking care of themselves during this difficult time.

While the school closures are necessary to ensure the safety of our children, families and community, we are genuinely concerned about our students missed opportunities from physical activities.

We are focused on giving students the opportunities to be physically active and making healthy choices.

### **Our Physical Education Remote Learning Plan includes:**

- **P.E. at Home Activities**
- **Active Fun with Family**
- **Healthy Tips**

Please feel free to contact us.

**Inverness primary School 726-2632**
